

Meet
Isobel MacCorquodale
our new
Transport Coordinator

- Can we help you?
- Do you want to maintain your independence?
- Have you medical appointments to attend in Glasgow?
- Do you need to go to Oban for those necessities?
- Don't feel confident driving in the dark?

The Appin Community Transport Scheme looks after our older residents to help them maintain an independent life when they no longer drive or have difficulty using public transport.
